Here Comes The Sun
By George Harrison

Here comes the sun, here comes the sun,
And I say it’s all right

Little darling, it’s been a long cold lonely winter
Little darling, it feels like years since it’s been here
Here comes the sun, here comes the sun
And I say it’s all right

Little darling, the smiles returning to the faces
Little darling, it seems like years since it’s been here
Here comes the sun, here comes the sun
And I say it’s all right

Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...
Sun, sun, sun, here it comes...

Little darling, I feel that ice is slowly melting
Little darling, it seems like years since it’s been clear
Here comes the sun, here comes the sun,
And I say it’s all right
It’s all right

University Park Community Solar LLC with University Park Church of the Brethren

Preamble

We, the University Park Community Solar LLC and the University Park Church of the Brethren, do hereby enter into this solar power purchase agreement in order to further the development of solar electric energy generating capacity in our community and to demonstrate the financial practicality and systems feasibility of a model through which private citizens and private organizations, even on a small scale, may join to this end.

Sarah Moseley, Richard Scorza, and Ross Salawitch

We invite you to participate in the first ever Green Ribbon Tying Ceremony. Music and Refreshments immediately following ceremony

The sun, with all those planets revolving around it and dependent on it, can still ripen a bunch of grapes as if it had nothing else in the universe to do.

Galileo Galilei
